The screenshot displays the SCHOL (Supply Chain Sustainability) Learning Paths interface. At the top left is the SCHOL logo with the text 'SUPPLY CHAIN SUSTAINABILITY'. The navigation menu includes Home, About, Learn, Markets, Topics, Partners, and Contact. On the right, there are links for EVENTS, a user profile for EMMA JANE, and a LOG OUT button. The main heading is 'Learning paths'. A 'BACK TO DASHBOARD' button is located in the top right. The featured learning path is 'Learning Path 3: FIR Ambassador', represented by a puzzle piece icon. Below the icon, the text reads 'Learning Path' and 'Due by: Wednesday, 17 June 2020, 12:00 AM'. A prominent blue 'ENROL >' button is positioned to the right of the path title.

Any “self-enrol” LPs will be displayed here for users to enrol themselves in. Only self-enrol LPs created by their cohorts’ admin or a School admin will be visible to the user.

Once a user clicks “enrol”, they will be visible to either the cohort admin or School admin who can then monitor their progress.
