

SUPPLY CHAIN SUSTAINABILITY

Learning Pathways: *Getting Started*

Setting up a Learning Pathway

The screenshot displays the SCHOL Supply Chain Sustainability dashboard. At the top left is the logo with the text 'SUPPLY CHAIN SUSTAINABILITY' and 'SCHOL'. The navigation menu includes 'Home', 'About', 'Learn', 'Markets', 'Topics', 'Partners', and 'Contact'. On the top right, there are links for 'EVENTS', a search icon, a user profile for 'HILARY', and a 'LOG OUT' button.

The main content area is divided into several sections:

- Badges:** A section with a shield icon and the number '0', with the text 'Badges' below it.
- Administration:** A section with the heading 'Administration' and a link 'Manage learning paths' highlighted with a green border.
- Level:** A section showing a 'MEMBER' badge with the SCHOL logo. Below it is a 'Download your badge' link and a warning: 'Your status will expire with no action on: 2020-12-17'.
- Progress:** A section with a donut chart showing '83.33% on your way to bronze'. To the right, it states 'To achieve bronze, you need to:' followed by a list item: 'Complete an assessment within 6 months'.
- Company assessments:** A section with a pencil icon and the text 'Company assessments'.

All admins and owners will now have a link contained within their corporate dashboard entitled “manage learning pathways”.

NB: If you do not have this feature you will need to request admin rights from your colleagues or the School team.

The 'Report' and 'Manage' sections are highlighted with callout boxes:

- Report**: Downloads an excel report of which users have completed which resources and when
- Report**: Deletes the LP
- Manage**: Assign users (individual / colleague pathway only)
- Report**: Choose resources and completion routes
- Manage**: Edits the general information (e.g., name, badge, due date, auto-email text)

Simply type a keyword or resource title in the search field and the system will auto-filter for you. You can select unlimited resources.

You may want users to complete all or some of the resources – you can choose which resources are mandatory, and which are optional, or select the minimum number of resources a user must complete to be awarded the badge.
